Our school district endeavors to be the premier public school district on Long Island, providing an excellent education to all students. We endeavor to have a staff that reflects the racial and cultural diversity of our community and our student body. We expect our staff to build trusting relationships with all students and their families, establishing our school district as the recognized leader of equitable community engagement on Long Island. We will develop and support culturally competent, transformational leaders who exhibit cultural awareness, attitudes, knowledge, and skills. These leaders will create inspirational learning experiences that encourage and motivate all students and staff to achieve their full potential.
